ClearPath Business Advisors Earns 2021 Great Place to Work Certification™

Pleasanton, California — ClearPath Business Advisors is proud to be Certified™ by Great Place to Work® for the first year. The prestigious award is based entirely on what current employees say about their experience working at COMPANY. This year, **92% of employees** said it's a great place to work – **33 points higher** than the average U.S. company.

Great Place to Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention and increased innovation.

"Great Place to Work Certification™ isn't something that comes easily – it takes ongoing dedication to the employee experience," said Sarah Lewis-Kulin, vice president of global recognition at Great Place to Work. "It's the only official recognition determined by employees' real-time reports of their company culture. Earning this designation means that ClearPath Business Advisors is one of the best companies to work for in the country." Based on our own Internal Organizational Health survey, this is what our employees say make us a great place to work:

WHAT MAKES ClearPath's COMPANY'S EMPLOYEE EXPERIENCE GREAT?

"ClearPath employees are very intelligent, resourceful, and respectful. We have done a very good job of hiring great employees."

"I really appreciate everyone slowing down to listen to what we need to do the best at our job. Learning everyone's PI and work style has also helped with personal growth. It prevents you from taking things too personally and really allows you to adjust your workstyle to theirs."

"We have an extremely bright and wonderful team and I truly enjoy working with every single person here."

"I feel like everyone at ClearPath is a fantastic communicator."

"ClearPath has done a great job creating process/procedure, especially with new hires. I love the sense of employee community /appreciation that [ClearPath] has added regarding employee recognition, happy hour, and gifts."

According to [Great Place to Work research](#), job seekers are 4.5 times more likely to find a great boss at a Certified great workplace. Additionally, employees at Certified workplaces are 93% more likely to look forward to coming to work, and are twice as likely to be paid fairly, earn a fair share of the company's profits and have a fair chance at promotion.
